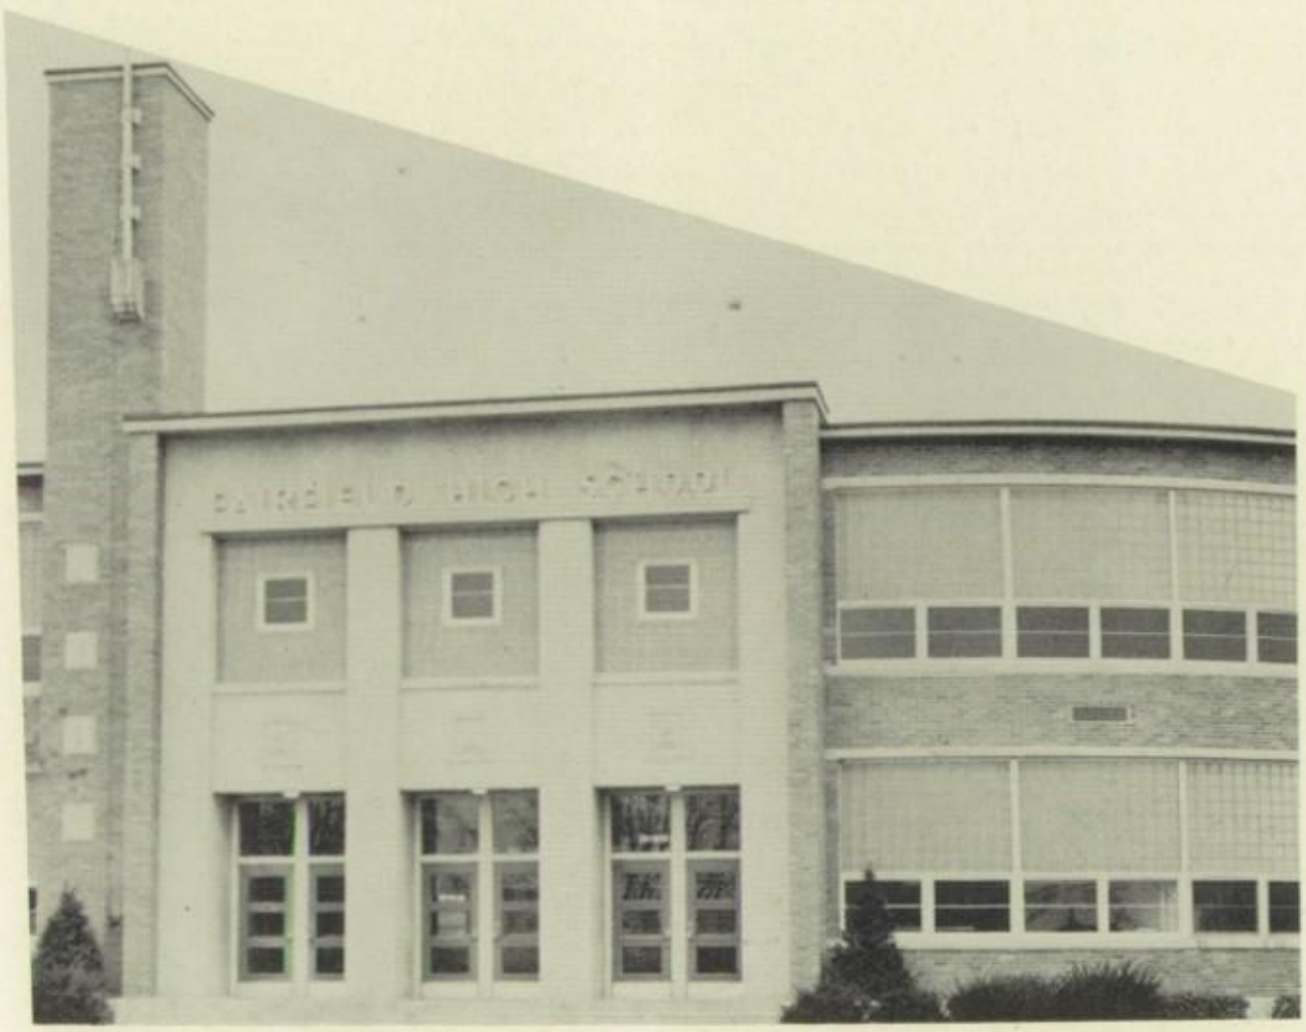
ALMA MATER

Dear Fairfield High School
We're loyal to you.
Though sorrow and joy come,
We'll always be true.
We think of all friendships
Our school days did bring;
Though dear friends have parted,
Still memories will ring!
Our fair Alma Mater
Thy praise we will sing.

FOREWORD

The sound of high school laughter, the spirit of good sports, the joy of achievement after burning the midnight oil cramming for an exam, the developing of skills, the teachers that make these things possible, these are a few things that make up a school year. In the 1958 Cheftain we have tried to capture a few of these fleeting thoughts and memories.



DEDICATION

We the seniors of 1958 dedicate this annual to a man who has been a friend and teacher to us outside as well as inside the classroom. Mr. Vogelgesang has directed us in many different ways during our high school years - in DRAMATICS, F.T.A., sciences, geography, and the most thankless job of all, being our senior sponsor. We wish to thank him now for all the time and effort he has put forth.

Fairfield is our school
memories are of so many people
and places we are unable to
remember all of them so we
have used pictures the fun,
the laughter, and the hard work
is preparing us for life as
adults in other words
we leave our school with

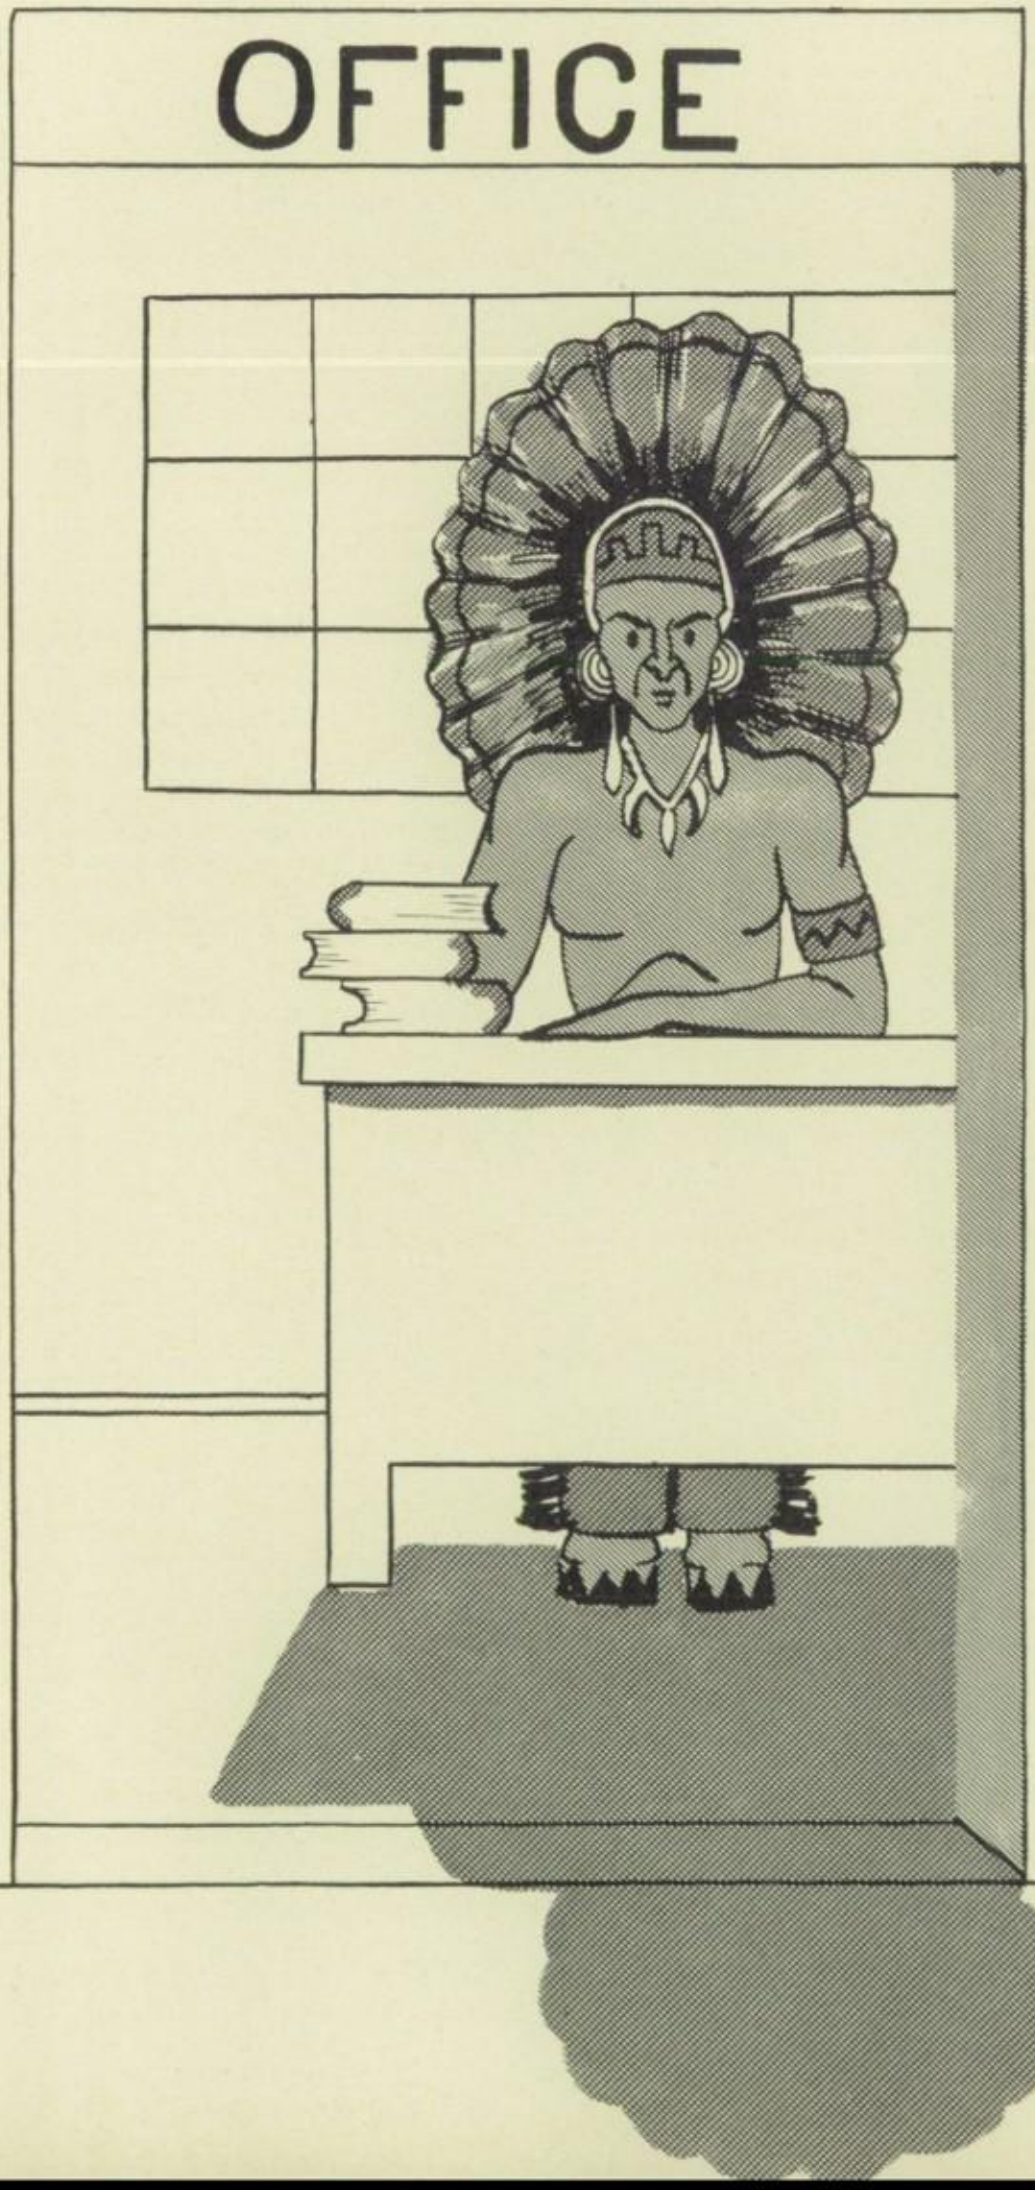
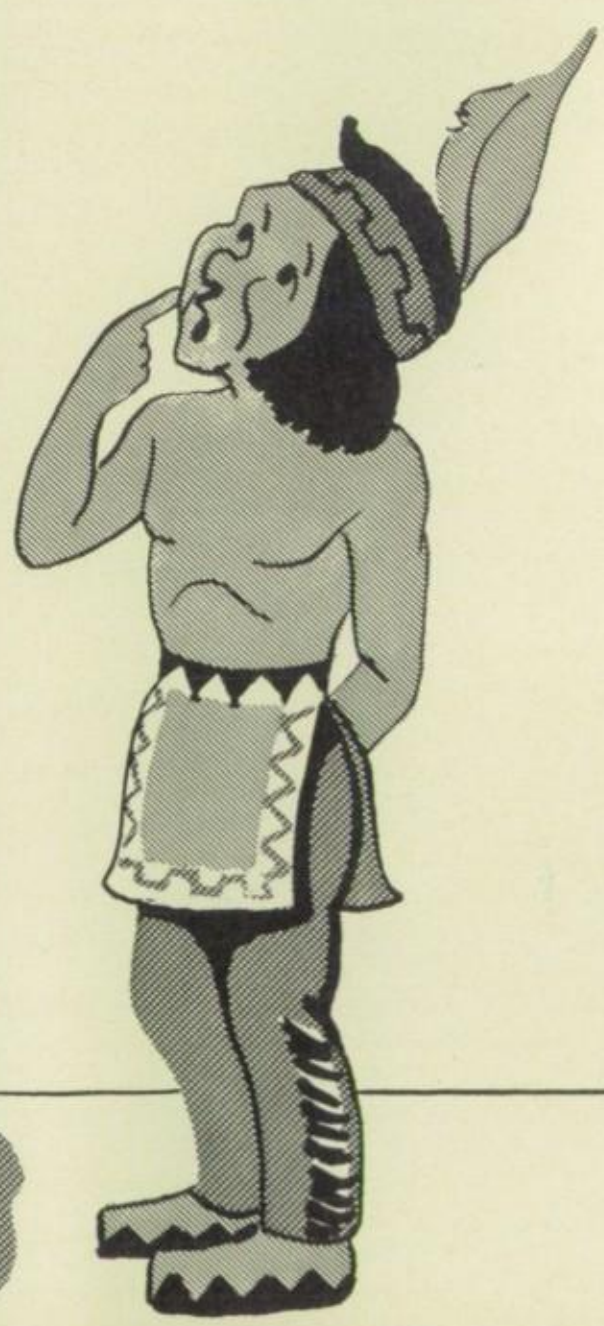
Administration

Dear Diary,

The administrators are the directors of our school. It is their task to keep the opportunity for learning, which has been provided for us, running smoothly. And if we wander off the straight and narrow.....





MAM

School Board

Seated: Mary White, Clerk; Robert Sroufe, President; Donald Lau, Vice-President; John McCormick, Donald Schul, Ralph Hasler.

The above men are elected by the voters and charged with the responsibility of providing Fairfield with the best possible school system. They receive little credit, but plenty of criticism; so now we would like to say "thank you" for your work in the past and may you be guided wisely in making the future plans for the Fairfield Schools.

Music

Dear Diary,

Last but not least in the memories of student life is music — instrumental and vocal, which takes us from the freezing football field to the stifling hot chorus rows.

Dedication

We, the students of Fairfield, dedicate this music section to Mr. Albert H. Sutphen, a man whose 22 years of faithful work as an instrumental director at Fairfield has greatly contributed to the growth of our music department.

Mr. Sutphen was unable to be with us this year because of a serious illness. We hope to have him back with us soon.
